

FiOS BACKUP POWER STICKERS

Even if the power fails, your Verizon FiOS® phone service has battery back-up. Please apply these stickers to your home phone sets as soon as possible as a reminder that, should the power go out, you will still have wireline phone service for up to 8 hours.

In the event of a power outage, the FiOS battery will power your wireline phone service, including 911, for up to eight (8) hours.
